e.g. 15% of our customer are from Spain.

Do you have any short testimonials from happy customers?: (maximum length: 140 characters/spaces)

If you don't have short testimonials, send us what you've got and will strip them down with a well placed ellipsis.

Are there any keywords you'd like us to mention?:

Your social media campaign will enhance any SEO campaigns you have running. Let us know what keywords you are targeting and we'll ensure we get them into your tweets / posts regularly.

Are there any off limits subjects that we cannot talk about?:

Industry Authority

Your social media campaign will be greatly enhanced if you can be seen as an industry authority. Do you have any information or advice about your industry or the products/services you provide?

Product tips:

e.g. Chewing gum on your carpet can be removed by freezing it with ice in a bag for 15 minutes!

Service tips:

e.g. Get any squeaky floorboards screwed down before we come and fit your new carpet.

Industry information, facts or trivia:

e.g. Tufted carpets were developed in the 1940s from candlewick weaving techniques!

e.g. A genuine Turkish Hereke carpet can take as long as a year to make.

Which website(s) would you recommend as an information resource for your industry?

These can be your competitors if required - they will be used by our profilers and never posted in your campaigns.

Generic Posts

We use information from your website and this profile document to create content for your social media campaigns. Some clients also like a selection of other information to keep their feeds busy and entertaining. Some content (like comedy) can make your feed more fun - but are only appropriate in certain businesses.

Please select **Yes** or **No** to each of these categories if you would like us to include posts of this nature where we are managing your Twitter feeds. **Please note that we do not recommend posting generic posts to your Facebook page.**

Facts

e.g. *Diplodocus replaced their teeth every 35 days.*

e.g. *There are about the same number of atoms in a human cell as there are cells in the human body.*

e.g. *There are more than a 1000 banana species in the world. Most people have only ever eaten one.*

Twitter: Yes No

Comedy

e.g. *I intend to live forever. So far, so good.*
